“Beloved Young Adults”

**The late Saint John Paul II’s words
On Nov. 24, 1984, to Olympians who had
participated in the Los Angeles Games.**

“Beloved young athletes, athletics offers you, among other things, also the opportunity to improve your own personal spiritual state. Called as you are frequently to engage in your competitions in the midst of nature, amid the marvels of the mountains, seas, fields and slopes, you are in the best position to perceive the value of simple and immediate things, the call to goodness, the dissatisfaction with one’s insufficiency, and to mediate on the authentic values that are the basis of human life.

These are the virtues that harmonize well with the Christian spirit because they demand a capacity for self-control, self-denial, sacrifice and humility, and therefore an attitude of gratefulness to God, who is the giver of every good and therefore also the giver of necessary physical and intellectual talents.

Sports are not merely the exercise of muscles, but the school of moral values and of training in courage, in perseverance, and in overcoming laziness and carelessness. There is no doubt that these values are of the greatest interest for the formation of a personality which considers sports not an end in itself but as a means to total and harmonious physical, moral and social development.”

Dear Friends of CYO Sports,

For many years, the Archdiocese of Philadelphia has conveyed the message that CYO is more than just a sports program. The Catholic Youth Organization is most importantly a ministry. CYO is a way for our youth to use their God given talents to play sports, while at the same time carrying out the ministry of Jesus Christ.

Our challenge as adults is to remember our ministry and role as teachers. Our skills and talents need to be built upon and sharpened through training programs. The 'Coaches Orientation Program' is one of the most important aspects of the CYO Athletic Department when it comes time for a new coach to take on the challenge of working with our youth through CYO. The department works in collaboration with Notre Dame's Play Like a Champion Today curriculum that preaches coaching as a ministry. It helps all coaches transition into their positions as role models and teachers easily, while at the same time impacting the emotional, spiritual, physical, social and athletic needs of our youth.

As a whole, we are constantly working to improve and grow as an organization to make sure our young athletes are getting the best experience possible. Our children's happiness, spiritual growth, and most importantly, safety, are our main concerns in all that we do.

In closing, we sincerely thank our vast amount of CYO constituents and volunteers that share their talents, abilities and endless amount of hours with the youth of the Archdiocese of Philadelphia. Our programs and sports seasons would certainly not exist without the tireless efforts of all of our volunteers.

We look forward to enriching our relationship with you and building upon the ministry that is the most important aspect of the Catholic Youth Organization program.

With warm regards,

Matt Hasher

I. Introduction to CYO Athletic Ministry

A. CYO Sports Mission Statement

CYO Sports is:

one component of a parish's comprehensive youth ministry program which
*enables the partnership of parents, coaches, priests, religious, teachers and adult leaders to manage and support a sports program that
*allows youth to grow in their relationship with God and come to better understand themselves and the Catholic faith.

Such a program:

*employs healthy and enjoyable competition to promote the sharing of gospel values among athletes, parents, and coaches
*assists parish leadership in nourishing the emotional, spiritual, social, and physical needs of young people
*encourages young people to appreciate the gifts that they possess and challenges them to share these gifts with their community
*allows youth to witness the life of Christian discipleship in their coaches and adult leaders
*encourages youth to become responsible members of their faith community.

B. CYO Points of Emphasis

-MINISTRY— CYO sports provide a unique opportunity for youth ministry with the potential for great Christian influence. All CYO sports volunteers should strive to ignite spiritual development out of the relationship between the youth and athletics. God has blessed the youth with many gifts and talents, and volunteers are called to realize the importance of animating an appreciation for those blessings. We encourage our volunteers to act as ministers by facilitating **prayer before and after practices and games**, attending **Mass as a team**, and creating a team **service project, among other things**. Most importantly, we ask that the volunteers teach values of faith and character development and reflect those values in their own actions. Participation in athletics provides many “teachable moments” and all involved need to be prepared to constructively address those opportunities.

-SPORTSMANSHIP— All CYO programs must reflect Christian attitudes and values through coaches emphasizing good sportsmanship. Coaches are expected to set sportsmanship standards with their teams and discuss proper conduct. Part of showing good sportsmanship involves both coaches and their teams shaking hands with the other team before and after each contest. Sportsmanship also includes treating game officials with respect. Officials will make mistakes, and therefore coaches and athletes must be tolerant. The CYO is not tolerant of shouting and criticism nor any negative or derogatory comments toward officials, coaches, spectators and/or athletes. **In short, let players play, coaches teach, officials officiate and parents support.**

-ENJOYMENT— Youth play sports because it’s fun; youth leave organized sports because it’s not fun—it’s that simple. The CYO is not a spectator sport for the benefit of coaches and parents. All competitions are supposed to be enjoyable for the athletes! **Good CYO coaches “succeed” by enabling youth to develop their talents, not simply by winning. Coaches succeed** by helping each youth become the best they can be through skill development, building a team as part of the parish community, helping youth see beyond themselves to the needs of others, appreciating the social aspects of sport, seeing God as the source of our gifts and praising Him for it, and having fun along the way. Good CYO coaches constructively instruct their athletes. **It is critical that our youth understand that they get their worth from God as a free gift, NOT from “success” in athletics.** We pray that parents will support their children without placing undue pressure on them to win or be the best athlete on their team or in their Region, none of which their child can control. We also ask that spectators cheer in a positive manner. Remember that the participants are not small adults, they are children playing a game.

-ORGANIZATION— The positioning of regional coordinators and commissioners in each sport help to bring information, processing, and decision making closer to the parish level—all under the oversight of the CYO Sports Department. An advisory board is also in place to vote on changes and concerns that may not be handled at the parish level. The tremendous commitment and work by volunteers on the Boards and parish athletic directors has helped strengthen and make CYO more responsive. **The Boards also represent another voice reinforcing the importance of living the Gospel values through sports.**

C. The Archdiocesan Administration

1. CYO Athletic Department

-The CYO Athletic Department is responsible for carrying out the Mission of the Office of Catholic Education through the unique avenue of sports. Decisions are driven by the need to support the adult leaders to help our youth “hear and respond to the call of Jesus Christ” and are viewed through the lens of ministering to our youth’s development and building Church community.

-The CYO Athletic Department is led by the CYO Director of Athletics, and is guided by the Office of Catholic Education as well as the Office for Catechetical Formation. The department relies heavily on the good work of the many CYO volunteers, without whom an effective CYO program would not be a reality. We continue to look for ways to work more efficiently and more effectively, given limited resources.

-The department’s role is to provide the vision and framework from which our administrators, coaches and parents carry out this vital ministry. The department also exercises oversight and governance with regard to Athletic Ministry/CYO Sports, an Archdiocesan realm of activity which, on a daily basis, is given expression in the parish setting. This Handbook is a reference tool to remind all involved of the mission of Athletic Ministry as well as the structure and rules under which this ministry is carried-out.

-The CYO Athletic Department continues to evaluate the best way to benefit from the vast gifts of its constituents while setting a clear course for the vision of CYO. We continue to seek the expertise and support needed to effectively run the CYO Regions and the Archdiocesan Tournaments.

2. Office for Child and Youth Protection

-The OCYP is responsible for overseeing compliance with the Archdiocesan Safe Environment program standards for youth serving parishes, schools, organizations, and programs. If there are questions regarding clearances, Safe Environment, or Mandated Reporting, you may contact the OCYP directly.

D. Regional Administration

1. The CYO Sports Region

The Archdiocese of Philadelphia is currently divided geographically into 13 CYO sports Regions for the purpose of the Athletic Ministry program. All parishes with CYOs are assigned to a Region, and their teams must participate with their Region’s sports league. Failure to do so, without Archdiocesan permission, will result in elimination from Regional, Area, and/or Archdiocesan competition.

a. Regional By-Laws

1. Regional Athletic Boards might identify the need to have by-laws, in addition to rules and regulations provided by the CYO, to assist in governing parish participation in Regionally-sponsored sports leagues (i.e., issue of 'cuts,' issue of minimum playing time for JV, etc.)
2. Regional by-laws may enable the Region to take steps that are not feasible on an Archdiocesan-wide basis, with the exception of eligibility requirements which are consistent across the Archdiocese. When such might be the case the/each Region needs to provide the by-laws and explanation of any deviations from rules in this Handbook to the CYO Athletic Department for review and approval prior to the beginning of each CYO Year, and immediately if mid-year changes are being sought. If a Region, parish, commissioner, coach, parent or athlete is found to be in non-compliance to any rule outlined in this Handbook, they will face a review by the CYO Athletic Department and possible sanctions or penalizations.

b. Parish Assignments

1. The current assignments of parishes to particular Regions is set indefinitely. However, if a parish **feels strongly** that it should be removed from its current Region and assigned to a new Region, their Pastor and Parish Athletic Director may present a request for an "assignment review" to the Regional Coordinator or CYO Director.
2. If a Region does not sponsor a league in a particular sport, then the CYO Athletic Department will assign that parish's team to a neighboring Region's league for that particular sport only. As long as the team is in compliance with all Archdiocesan rules outlined in this Handbook, they will be eligible to represent that Region at post-season Archdiocesan competition.
2. **The Regional Athletic Board** serves as the governing body of the Region. The Executive Committee, the Parish Athletic Directors and League Commissioners serve as its membership. Under the direction of the CYO Athletic Department, they hold the responsibility of coordinating, managing and supervising all Regionally-sponsored CYO sports programs and events. Their responsibilities include:
 - Promoting the purpose and goals of the CYO Sports Mission Statement (pg. 8).
 - Providing a forum for communication and decision-making amongst the Region's parishes.
 - Developing a set of Regional by-laws within the domain of Archdiocesan rules and regulations which, again, would need to be submitted to the CYO Athletic Department for review and approval.
 - Responsible for facilitating fair voting procedures when necessary.
 - a. Voting privileges are granted strictly on the basis of, "One parish, one vote."
 - b. Non-parishioners may not vote for a parish.
 - Ensuring all volunteers attend the appropriate and required training and education, for example:
 - a. CYO Coaches Training
 - c. Safe Environment Training (part I and II)
 - d. PA State Police Criminal Background Check
 - e. PA Child Abuse Clearance
 - f. FBI fingerprint checks, if applicable
 - Recruiting, screening and hiring Commissioners who demonstrate an understanding of how to conduct a truly "Christian League"

-Forming subcommittees to review issues that may need Regional supervision (For example: Behavior, Rostering Review, Financial Procedures).

3. The Executive Committee

- All members may incur more specific duties, other than those listed below, as defined in the Region's approved by-laws.

- All positions are elected by the Regional Athletic Board and may serve term as regulated by the Region's approved by-laws.

- Members:

A. **The Regional Coordinator of Athletic Ministry** is responsible for providing leadership and direction to the Region's parish membership. He or she must:

1. Manage the Region's parish membership, programs and events so they:

- a. Promote the purpose and goals of the CYO Sports Mission Statement.

- b. Comply with approved Regional by-laws and Archdiocesan CYO Rules and Regulations.

2. Schedule and chair Regional Athletic Advisory Board meetings.

- a. Minimum of four (4) per CYO Year.

- b. Create meeting agendas to address current Regional issues.

3. With the assistance of the board, develop a set of Regional by-laws to be submitted to the CYO Athletic Department for review and approval, and conduct a yearly review process of approved existing by-laws.

4. Facilitate board decisions on thorough voting procedures honoring each parish membership with one vote. The involvement of the entire board should be encouraged.

5. Serve as a liaison between the Regional Board and the Coordinator for Athletic Ministry/CYO Sports via e-mail, phone calls and meetings. He or she must represent the Region at all meetings requested by the Coordinator for Athletic Ministry/CYO Sports or designate an appropriate representative.

6. To disseminate to individuals who exercise various roles of responsibility throughout the Region (i.e. Sports Commissioners, Athletic Directors, etc.) all pertinent information, including communiqués from the CYO Athletic Department.

B. **The Assistant Regional Coordinator** is responsible for assisting the Coordinator & the Executive Committee in managing the Region's parish membership, programs and events. The Assistant stands in as the Coordinator when he or she cannot be present.

C. **The Coordinator of Mission & Ministry** acts as the keeper of the CYO Sports Mission Statement. He or she must actively promote CYO as 'ministry' through sports, for example: through promoting prayer, liturgies, service projects, retreats, and reflection. He or she serves to remind the Regional board that all decisions are to be made in the light of the CYO Sports Mission Statement (pg. 7).

D. **The Coordinator of Finance** is responsible for the stewardship of financial resources available to the board. He or she must:

1. Document Regional income and expenses.

2. Disseminate financial reports to the board and CYO Athletic Department.

3. Maintain a Regional checking account.

4. Approve financial expenditures with the board.

E. **The Coordinator of Communication** is responsible for the dissemination of information to all board members. He or she must provide all necessary written correspondence and electronic communication requested by the Region's Executive Committee, as well as the Coordinator for the CYO Athletic Department. He or she is responsible for keeping all of the Region's athletic volunteers well-informed.

4. The League Commissioner derives his or her authority from the Regional Athletic Board. Commissioners are appointed by the Board to manage a Regionally-sponsored sport on a daily basis. Decisions affecting the structure, operation, finances, and/or organization of the league must be reviewed by the Board. The Commissioner assists the Board by ensuring a particular sport is run in a manner that it is consistent with the CYO Sports Mission Statement and compliant with both the Archdiocesan CYO Rules and Regulations outlined in this Handbook and approved Regional by-laws. A Commissioner must:

1. Attend the pre-season sports meeting conducted by the Archdiocesan CYO Athletic Department.
2. Confirm completion of the following by parishes:
 - a. Distribute and collect the following forms for coaches.
 - b. Collect completed "Pastor's Coaches Eligibility Approval" from each parish.
 - c. Commissioners are responsible for ensuring coaches participating in their league have attended the appropriate level of Coaches Training.
3. Review the above items to ensure that they are completed and compliant with all CYO "Eligibility Standards" and present the original to the CYO Athletic Department. Additional requirements may be introduced by the Coordinator for Athletic Ministry/CYO Sports at the pre-season meeting.
4. Develop a set of league by-laws and/or conduct a yearly review of existing by-laws.
 - a. League by-laws must be approved by the Regional Athletic Board.
 - b. League by-laws have the flexibility outlined in Regional by-laws, as they relate to coordination with Archdiocesan rules.
 - c. League by-laws should establish policies and procedures for all regular season league administration, Regional playoffs and for determining a representative(s) for Archdiocesan-level competition.
5. Organize and schedule league games, officials, and Regional playoffs.
6. Act as an officer of approved by-laws.

E. Parish Administration

1. The Pastor, as the canonical authority with regard to the governance of the parish, has final authority on all decisions pertaining to his parish, however the parish's participation in Regional and Archdiocesan competition is subject to those rules. The Pastor may designate a priest Moderator to work closely with a Parish Athletic Director and is strongly encouraged to develop a Parish Athletic Advisory Board. It should be the goal of parish administration to offer a sports program which promotes the purpose and goals of the CYO Sports Mission Statement and complies with both the Archdiocesan CYO Rules (outlined in this Handbook) and its Regional membership's by-laws.

The Pastor must also be knowledgeable of the "Parish Eligibility" requirements outlined on and the Grade School and High School Athletic Eligibility Requirements outlined on pages 20-25. The CYO Athletic Department stands ready to assist all parishes in their efforts to produce a sports program charged with youth ministry.

2. The Parish Athletic Director is appointed by the Pastor and is guided by parish by-laws as to length of term and specific responsibilities. He or she automatically is a voting member of the Regional Athletic Board which governs his or her parish's CYO sports Region. The Parish Athletic Director is responsible for the following:

- a.** Communicating the CYO Sports Mission Statement to parish sports volunteers and working to uphold its purpose and goals.
- b.** Developing a set of "Parish By-Laws," and/or conduct a yearly review of existing ones.
- c.** Ensuring the following:
 1. That only qualified individuals are selected to work with children and that they're aware of their spiritual obligations and "Eligibility Requirements" as a CYO coach.
 2. That the parish sports program is compliant with all Archdiocesan CYO Rules and Regulations (outlined in this Handbook), Regional By-Laws and existing Parish By-Laws.
 3. That the parish meets all "Parish Eligibility" requirements outlined on pages 17-18.
 4. That parish team rosters and Pastor's Coaches Eligibility Approval are accurate and timely submitted.
- d.** Chairing Parish Athletic Advisory Board meetings, unless a formal structure is in place.
- e.** Representing the parish at all Regional Athletic Board meetings.
- f.** Following through with all other duties as communicated from the Pastor or Priest Moderator.

3. The Parish Athletic Board - It is strongly recommended that the parish form a board to assist the Parish Athletic Director and/or Priest Moderator. Length of term and specific responsibilities of the board should be outlined in the parish CYO sports program's by-laws. The Parish Youth Minister should sit on the board.

4. Coaches

Potential coaches must be screened by the Parish Athletic Director and/or the Parish Athletic Advisory Board. All coaches must meet the “Coaching Eligibility” Standards. Potential coaches must realize that becoming a CYO coach means acting as a role model to the youth of the Church. Therefore, his/her actions and words must reflect the purpose and goals of the CYO Sports Mission Statement. It is the duty of all CYO coaches to be knowledgeable of the Archdiocesan CYO Rules and Regulations outlined in this handbook.

II. Eligibility Standards

While all CYO sports Regions and participating parishes should strive to involve as many young people as possible, there is an inherent part of participation that requires certain rules in order to regulate fair and safe competition. These rules apply to the involvement of adult volunteers as well as the child athlete. At times, these rules may not seem to be in the best interest of the individual Region, parish or athlete. However, they are regarded to be appropriate for the majority of the participants and consistent with the goals of the CYO Office. It is the responsibility of all CYO constituents, particularly the Regional Athletic Advisory Board, the Parish Athletic Director and/or the Parish Athletic Advisory Board, to ensure that all Archdiocesan CYO Rules and Regulations (outlined in this Handbook) are followed in both letter and spirit.

The primary enforcer of our rules is the honesty and integrity of the CYO volunteer membership.

NOTE: Rationalizing breaking these rules is dishonest and contrary to the purpose and goals of the CYO Sports Mission Statement and certain penalization will follow no matter the intent.

A. Parish Eligibility

In order for a parish to participate in an Archdiocesan CYO sanctioned and Regionally-sponsored sports league, the following criteria must be met:

- 1.** Each parish must charter annually with the CYO Office. Information will be sent to each parish over the summer, and should be returned by the established deadline listed on the form. Charters indicate the Pastor's acknowledgement of the following: 1) A CYO sports program exists at the parish, 2) the sports program is under his responsibility, and 3) the sports program should incorporate youth ministry aspects like prayer, liturgy and service. A charter must also list the Parish Athletic Director's contact information and other ministry contacts as noted. For more information about chartering, please call the CYO at 215-587-3716.
- 3.** Each parish team must be in compliance with the registration, rosters and fee procedures.
- 4.** Each parish must ensure all coaches are in compliance with the "Coaching Eligibility" requirements outlined below.
- 5.** All parishes must be in compliance and "good standing" with their Regional Membership's approved by-laws and their Region's Athletic Board. ("Good standing" i.e.,: meeting required attendance at Regional board meetings and other Regional criteria.)
- 6.** Athletic eligibility requirements and other standards established by their Region.

NOTE: Non-compliance with any of the above criteria will jeopardize a parish's sports teams' eligibility for Regional and Archdiocesan competition, and may result in further penalization.

B. Coaching Eligibility

In order to coach a parish team in an Archdiocesan CYO sanctioned and Regionally-sponsored sports league, all head coaches and assistant coaches must meet the following requirements:

Before coaching any CYO team, all coaches (head and assistants) **must**:

- Attend the in-person **Coaches Orientation** seminar (see page 48 for details.)
- If a new coach is not able to attend an in person coaches orientation before he or she begins coaching, the new coach is required to take the **Online Catholic Coaching Essentials course** before coaching at all **AND** then attend the next available **Coaches Orientation** session.

Due to the new laws implemented for Pennsylvania, **all adults** involved in youth ministry and service to children **must provide required background checks (renewal every 5 years)** to their parish to keep on file. Parents who volunteer intermittently must also receive all of the necessary checks and certifications to do so.

For more information on checks or to register for training please visit www.childyouthprotection.org.

This is NOT handled by the CYO Athletic Department but through the parish.

1. Age Criteria for Head Coaches:

a. Grade School: Must have reached their 21st birthday before the start of season.

b. High School: Must have reached their 25th birthday before the start of the season.

NOTE: An “Assistant Coach” is defined as anyone who works with and/or instructs individual athletes on a team, one day or more per week. There is no specific age requirement for Assistant Coaches, and having HS students as Assistant Coaches, with proper supervision, can be an excellent benefit to all. **However, ALL coaches over 18 that have any coaching role must complete Safe Environment requirements.**

Assistant coaches under 18 are not permitted to coach athletes alone.

2. All coaches must be familiar with and comply with all Archdiocesan CYO Rules and Regulations outlined in this Handbook, or penalties may be levied.

3. All coaches must meet any additional requirements of their parish, their team’s league and/or the Region.

4. All coaches must agree to the following pledge and it is recommended that they recite it in the presence of the Parish Athletic Director and/or League Commissioner:

CYO Coach’s Pledge

Upon my honor as a CYO Coach, I pledge myself to the following:

To guide each player to be a better Christian and a better citizen.

To be ethical and sportsmanshiplike in my coaching conduct towards all athletes, officials, spectators and coaches.

To motivate each athlete to compete according to the rules at all times.

To teach each athlete, especially through my own examples, to be humble

and generous in victory and proud and courteous in defeat.

C. Grade School Athletic Eligibility

1. Grade School Age/Grade Restrictions:

In order to participate for a CYO parish/school team, all athletes must be in compliance with the eligibility standards listed below. The listing of the Coach, Parish Athletic Director and League Commissioner on a team's submitted roster implies that they have thoroughly reviewed the roster for accuracy and compliance with the rules listed below.

a. Grade School Varsity (Class D) - Participants must be 7th or 8th grade students who have **not** reached their 15th birthday before **September 1, 2017**. Violators will face the penalties outlined in "Eligibility Violations."

i. 6th Graders - Only if a parish does not offer a Junior Varsity team, may 6th graders participate on the Varsity team. See "Years of Eligibility".

ii. 8th Graders - Students in 8th grade who have reached their 15th birthday before **September 1, 2017** may participate for their parish's "high school" sports teams.

iii. 9th Grade and Above - Regardless of age, 9th graders and above may not participate on a Varsity (Class D) team.

Exception - Cross Country and Track & Field, only, are approved to employ different age/grade restrictions.

b. Grade School Junior Varsity (Class E) -

Participants are to be 5th or 6th grade students who have not reached their 13th birthday before **September 1, 2017**. Violators will face the penalties outlined in "Eligibility Violations."

i. 4th graders - Regardless of age, 4th graders are not eligible to participate on a Junior Varsity (Class E) team.

Exception - Cross Country and Track & Field, only, are approved to employ different age/grade restrictions.

ii. 6th graders who are too old to participate on a Junior Varsity (Class E) team are eligible to participate on a Varsity (Class D) team.

iii. Below Junior Varsity (Class E) *Except for Track & Field and Cross Country, the Archdiocese of Philadelphia does not sanction any programs involving students in 4th grade or below. Therefore, in order to qualify for insurance and liability assistance from the Archdiocese, a parish that is hosting any other athletic team which involves students in 4th grade or below must meet the minimum requirements for *Non-Sanctioned Sports Programs* outlined under "Insurance and Liability."

2. Years of Eligibility for Grade School Athletes:

a. Junior Varsity - 2 years.

b. Varsity - 2 years.

i. 6th graders participating on a Varsity team because there is no Junior Varsity team - will be credited with one year of Junior Varsity eligibility, rather than a year of Varsity eligibility. They will retain their full Varsity eligibility for their 7th & 8th grade years.

ii. Eligibility is served regardless of participation. "Red Shirt" years are not permitted. Special cases of students repeating (illness, family issues, etc.) may be appealed to the CYO Director and Advisory Board.

3. Grade School Residence Requirements:

a. General Residence Eligibility

- i. Athletes must be either registered members of the parish or attend the parish school, otherwise they cannot participate.
- ii. Registered members must be Catholic and must be registered before the start of the sport's season in which they are participating.

b. Change of Residence

i. Before the Start of the Season - If an athlete moves out of his/her parish prior to the official start date of a sport's season, the athlete is ineligible to participate with his/her former parish.

ii. After the Start of the Season - If an athlete moves on or after the official start date of a sport's season, he/she may choose to participate with their new or old parish.

iii. Changing Parishes without Changing Residence – Individuals and/or families that change parishes without changing residence will not be eligible to participate with the new parish for a period of one year from the date of transfer. The waiting year does count towards the athlete's years of eligibility. The athlete may participate with their old parish program, or can participate on a limited basis with the new program (only practice, not game eligible).

**See below for Review Process

NOTE: After the sport's roster deadline, athletes may no longer change teams. Once an athlete chooses to participate on a team at their new parish (i.e. the change of parish must take place before **August 1, 2017**), he/she cannot participate for any teams at their former parish. The adjustment period is for that CYO Year only. Also, for CYO purposes, no family may change the parish with which they are registered, without a change of residence, during the current CYO Year.

4. Formation of a New Parish - Athletes cut off from their old parish because of the establishment of a new parish may participate for their former parish during an adjustment period of three years following the official date of the new parish's establishment.

5. Grade School Scholastic Regulations:

a. Parish-School Students

- i. A student-athlete who attends a parish's school is eligible to participate on that parish's CYO team.
- ii. A student-athlete who attends a separate parish's school from his/her registered parish may, in certain circumstances, participate with either parish's CYO. **The pastor of the student-athlete's parish in which a student-athlete is registered along with CYO Athletic Department will provide the appropriate direction.**
- iii. **School Transfers** – Individuals who transfer schools (including parish, Regional, or Mission) will not be eligible to participate with the new school for a period of one year from the date of transfer. The waiting year does count towards the athlete's years of eligibility. The athlete may participate with their old parish program, or can participate on a limited basis with the new program (only practice, not game eligible).

**See below for Review Process

NOTE: At no time may a student-athlete participate for the same sport at 2 different CYO entities.

**Extenuating circumstances may be presented to the CYO Director and Advisory Board for review.

b. Non Parish-School Students

i. A student-athlete who is a registered member of the parish and attends a school (public, private or Catholic which is not part of CYO) other than their parish's school or is home-schooled is eligible to participate for their registered parish's team.

NOTE: It is recommended that non-parish-school students be required to participate in the parish's religious education program. Please contact your parish pastor.

c. Combined Schools

Parishes who share a "combined-school" may either offer CYO sports through their own parish or through the school. However, if the parishes involved choose to offer CYO sports through the school, the following conditions must be met:

i. Participation is limited to the students who attend the school and/or those registered members of the parishes involved in the combined-school.

ii. All involved parishes' Pastors must submit letters of their acknowledgement and approval of the "combined-school" CYO sports program to the Regional Athletic Board. The Pastor's letter must indicate: 1) the shared responsibility between the parishes for the CYO sports program, and 2) an understanding that none of the parishes involved may field a team on their own and separate from the combined-school team.

iii. The Region must then forward the Pastors' letters onto the CYO Director.

iv. This is much like a small-parish merger.

Violators will serve the penalties outlined under "Eligibility Violations" on pg. 17-32.

Note: There are no restrictions as to participation in non-CYO sports or other activities. However, parents are strongly encouraged to help their children reasonably assess the benefits and drawbacks of each activity and whether it is appropriate when viewing the child as a whole through the lens of our shared Catholic faith.

d. The Small Parish/School Merger

Parishes without schools are encouraged to make every effort to maintain their own parish athletic program. However, the CYO Athletic Department has long recognized that there is a need to address parishes with declining school enrollments and/or the closing of such schools. Parishes who want to maintain a CYO Sports Program should be offered an option to do so. The need for possible mergers can only be to keep intact a CYO program, NOT to make teams more competitive.

1. Criteria:

i. Two or more "small" parishes, in the same Region, may request a parish merger.

ii. Parishes without schools may request a merger.

iii. The merger must be necessary in order for "all" of the parishes involved to sustain a team.

iv. No merger will be granted that gives the parishes involved a "substantial" competitive advantage.

v. Parish-schools must have a total enrollment of 250 or less in order

to qualify to “request” a merger. Exceptions to this number can be requested, but unique circumstances must be presented.

vi. A parish merger is agreed on a sport by sport basis. For example: If two parishes or more form a merger for soccer, they cannot simply elect to play together for basketball – they must apply again.

vii. Mergers must also be reapplied for every year.

2. Procedures:

i. The cut-off date for requesting a merger is two weeks prior to the start of the season for each particular sport.

ii. The Pastor and Parish Athletic Director from each parish must present written approval to the Regional Athletic Ministry Board for review.

iii. Upon approval by the Regional Athletic Ministry Board, the request must then be forwarded to the Coordinator for Athletic Ministry/CYO Sports for final review.

iv. Once approved by all levels, merged teams will retain the right to participate in all Archdiocesan events.

e. High School or Professional Athletes

An athlete found to be “rostered on” any high school team (freshman, j.v., or varsity) or professional team and also participating for a CYO team in that same sport during the same scholastic year will be considered ineligible.

6. Grade School Religious Regulations

a. Catholics - Athletes participating for a parish team must be registered members of the parish.

b. Non-Catholics - Only if a non-catholic athlete attends the parish’s school, may they participate with a parish team.

c. Religious Education (CCD/PREP) - Affiliations with a parish CCD/PREP Program is strongly encouraged, not required. Parishes may establish CCD/PREP enrollment and attendance as eligibility criteria in order to participate for the parish team. Please speak to your parish Pastor.

d. Academic Standards - Coaches are strongly encouraged to request parents to expect minimum academic standards from children. Given the variety of schools attended, the CYO Athletic Department is not able to require standards.

7. Eligibility Violations

a. Athletes found to be non-compliant with any of the “Eligibility” Standards outlined in this Handbook may face the following penalties:

i. Immediate discharge of the athlete from the violating team and the athlete will serve a one year suspension for all CYO sports.

ii. Forfeiture of any competition in which the violating team participated with the athlete.

iii. If the season has already ended, then any individual or team awards shall be returned.

NOTES:

If the circumstances of the violation necessitate further investigation the violating individual will be suspended from competition until an informed decision can be made. The CYO Athletic Department reserves the right to impose further penalties if deemed appropriate.

D. High School Athletic Eligibility

1. High School Age/Grade Regulations:

a. Varsity (Class B)

i. Athletes must be 11th or 12th grade students who have not reached their 19th birthday before September 1, 2016.

NOTE: Athletes in 9th or 10th grade but over seventeen (17) years of age may be eligible for Varsity (Class B).

ii. Athletes who would have completed secondary school (chronologically) had they remained enrolled are not eligible.

iii. Parishes with not enough players to form a Junior Varsity (Class C) team (See “Resident of Parish with No Team” on pgs. 17-24), may allow 9th & 10th graders to participate on the Varsity (Class B) team.

iv. Athletes in special schools or who have dropped out of school must comply with the eligibility rules outlined above.

b. Junior Varsity (Class C)

i. All athletes must be 9th or 10th grade students who have not reached their 17th birthday before September 1, 2016.

NOTES:

- 8th graders too old to compete for a Varsity (Class D) team may compete in the appropriate age class for high school.
- Athletes participating for a parish with both a Varsity (Class B) team and a Junior Varsity (Class C) team, may only play for one team.
- Anyone who is found to be in non-compliance to any rule outlined in this Handbook will face a review by the CYO Athletic Department and possible sanctions or penalizations.

2. High School Residence Requirements

a. Parish Resident - All athletes must be Catholic and registered members of the parish. For eligibility of Non-Catholics living within the parish boundaries see “Religious Regulations” outlined below.

b. Resident of Parish with No Team— A parish without enough athletes to form a team may request that their athletes be given permission to participate for a nearby parish within their Regional league. The Pastors of both parishes must provide letters of request to the League Commissioner to be reviewed by the Regional Athletic Board. If the Regional Board approves the request, then both Pastors’ letters and a letter of approval from the Region must be attached to the team’s roster.

c. Change of Residence - High school athletes must comply with the “Change of Residence” rules on pgs.17-25.

d. Formation of a New Parish - High School athletes must comply with the rules outlined under “Formation of a New Parish”

3. High School Scholastic Regulations

a. High School or Professional Athletes - High school athletes must comply with rules outlined under “High School or Professional Athletes”

4. High School Religious Regulations:

a. Non-Catholic Athletes - who live within the parish boundaries will be permitted to participate for that parish provided the following criteria is met:

i. The athlete complies with the “High School Athlete Eligibility” rules.

ii. The Pastor provides a letter of request to the League Commissioner to be reviewed by the Regional Athletic Board. If approved, the Pastor’s letter and a letter of approval from the Region must be attached to the team’s roster.

iii. In order to create fairness, Regions may determine a limit on the number of non-Catholic athletes a team may have in order to be eligible for Regional playoffs.

NOTE: Teams rostering non-Catholics may not participate in the PA State Boy’s Basketball Tournament.

b. Non-Catholic Teams - In the spirit of ecumenism, the League Commissioner in coordination with Regional Athletic Board may permit non-Catholic teams to engage in Regional competition with the approval of the CYO Director. The Region may restrict their level of participation within the league.

5. Penalties - See “Eligibility Violations”

III. General Policies

A. Code of Conduct

The following are examples of **Offensive Actions and Penalties**:

No CYO athlete, coach or spectator is permitted to....

- a. Refuse to abide by an official's decision*
- b. Display objectionable behavior by throwing equipment or any other forceful action.*
- c. Heap verbal abuse upon any athlete, coach, spectator or official*
- d. Lay hands upon, push, shove, strike, threaten to strike or physically attack an athlete, coach, spectator or official.*

This list is not exhaustive.

Any athlete, coach or spectator who is found to be guilty of any of the above violations may face the following penalties:

- a. Violation of Articles a thru c - Minimum five-game suspension for CYO league and/or playoff competitions. (A coach may not coach another CYO team while under suspension.)*
- b. Coach, spectator or athlete in violation of Article d - Minimum suspension for one full calendar year from all CYO sports.*
- c. Violation of above imposed penalties for conduct - If a violator disregards a penalty when properly notified, his or her team will be suspended from all competition for one full calendar year for that particular sport. The parish is responsible for enforcement.*

This list is not exhaustive.

NOTES:

- Penalties will carry over into the next season available in order to follow it to completion.
- If the circumstances necessitate further investigation, the individual in possible violation will be suspended until an informed decision can be made.
- If a Violator would like to protest a penalty, please see "General Protests."

B. Safety

1. Equipment - Coaches must ensure all players wear the proper and mandated athletic equipment for their sport according to the "Primary Rules" for their sport. The "Primary Rules" are designated per sport and further defined at the pre-season Commissioner's Meeting.

2. Competition Sites - Day of Competition Coaches must ensure that all fields and facilities are safe and free from hazards on the day of the competition. Coaches should report any suspicious or unsuitable athletic conditions to the Site Director assigned to that competition immediately. **If no Site Director has been identified, the Home Team coach takes on responsibility for the safety of all involved at that site. It is strongly encouraged that a separate Site Director be available at each competition as it is difficult for a coach to manage that additional responsibility.**

3. Competition Sites - Pre-Competition Day

It is the Commissioner's responsibility to make safety a priority in running the league that they preside over. It is recommended that the Commissioner make a site visit before the day of a scheduled competition as a safety precaution.

4. First Aid - Every coach is required to carry at least one first aid kit. No game may begin without at least one first aid kit available at the site of the competition.

5. Emergency— Access to 9-1-1 is important in the event of an emergency. A cell phone is typically sufficient.

C. Rosters and Fees

1. The Roster - Every CYO team must complete and submit a CYO sports roster form. The Commissioner is to distribute rosters at their pre-season coaches meeting and instruct their coaches on the process for submitting their roster outlined below:

2. Required Information - Coaches must ensure that all of the information required on the roster be provided and that it is honest, accurate and complies with the "Eligibility Rules." All names must appear in alphabetical order on the roster. The Coaches need to work with the Athletic Director and the Pastor to ensure that all athletes are eligible.

3. Required Approvals - The team's roster is considered complete when submitted and shows by way of signature that the following individuals have approved it and found it to be in compliance with the "Eligibility Rules."

- a. Head Coach
- b. Parish Pastor or School Principal
- c. Parish Athletic Director
- d. Commissioner

NOTE: All signatures on the roster imply that the party has thoroughly reviewed the roster for accuracy of information and compliance with the "Eligibility Rules" outlined in this book.

4. 2016-2016 Required Fees - Coaches must ensure that they submit their signed Pastor's Coaches Affidavit which should be attached to the roster to their Commissioner with the appropriate roster fee:

- a. **Grade School & High School**
 - Varsity & Junior Varsity - \$75.00 per team.
 - All Parish "B" Teams - \$50.00 per team.

*Leagues may charge parish teams additional fees for participation; this fee is to be communicated to coaches by the Commissioner.

5. Deadline - Coaches must submit their completed roster and the Pastor's Coaches Affidavit (attached to the roster) accompanied by the appropriate roster fee (listed above) to their Commissioner before the established deadline, or by an earlier deadline established by the Commissioner.

6. Roster & Fee Distribution - The Commissioner must complete the following:

Rosters:

- a. 1 copy to Coach.
- b. 1 copy to Commissioner.
- c. 1 copy to Regional Athletic Advisory Board.
- d. Original CYO Athletic Department. A completed copy of the Pastor's Coaches Affidavit **must be stapled to the corresponding roster** for review when submitted to the CYO Athletic Department.

Fees:

- a. After the Commissioner collects all of the fees from his or her league's coaches, he or she must present them to the Region's Coordinator of Finance.
- b. The Coordinator of Finance must then deposit the fees into the Region's Financial Account, and submit one check per Regional league to be sent to the CYO Athletic Department before the established deadline. (See "Roster Deadline" per sport on pgs. 33-49).
- c. This check must be accompanied by a brief financial summary of the total fees.

7. ROSTER REVIEW – As stated above, the commissioner must present a copy of his or her league’s rosters to the Regional Athletic Board. In coordination with the board, all rosters must be reviewed for compliance with the ‘Eligibility Rules’ outlined in this Handbook. It is recommended that the board form a subcommittee to assist all sports commissioners with the review of rosters for compliance. Only approved, rostered athletes may participate on teams.

D. Post-Season Competition

1. Varsity (Class D) Leagues and above may host Regional post-season playoffs. Commissioners are responsible for the following:

- a. Establishing, in writing prior to the season, clear procedures for determining the Regional champion and possible at-large teams eligible for Archdiocesan post-season competition.
- b. Reporting which team(s) will be representing the Region at the Archdiocesan competition before the deadline established at the pre-season Commissioners’ Meeting at the Archdiocesan Office Center.

2. Regional invitations to Archdiocesan competition will be determined by the CYO Athletic Department by mid-season and will be based on various factors including the Region’s compliance with Archdiocesan initiatives and each league’s size (# of parishes participating in the league for that sport). The number of “completed” rosters received before the roster deadline will determine the Region’s size.

E. Officials

League Commissioners are responsible for contracting officials for league competition and Regional play-offs. It is recommended that, in coordination with the Regional Board, the Commissioner hire an Assignor of officials.

1. The Assignor will schedule officials for the season. *It is recommended that the Commissioner work out an agreement with the Assignor so that the Region may pay the Assignor with one check. If so, the Commissioner would add an additional fee to the rostering fee for each team in order to cover the cost of the officials and the assigning.

2. ****All funds must flow through the Regional Financial Account.**

3. Officials must be proficient and certified in the primary rules of the sport (See “Primary Rules”, as adjusted at the Commissioners Meeting).

a. Coaches must notify the Commissioner, in writing, about any problems or concerns with officials.

b. Coaches may not officiate for any CYO competitions in their Region for the same sport in which they coach unless the following criteria is met:

- Commissioners must request approval from the Regional Athletic Board.

F. Admission Fees

1. Archdiocesan Competitions - may charge an admission fee in order to cover general expenses of the event.

2. Regional Competitions - may charge an admission fee in order to cover general expenses of the event, only when approved by the Regional Athletic Advisory Board.

3. Individual Parishes - may charge an admission fee at parish-hosted competitions in order to cover general expenses of the event. However, if the Commissioner, in coordination with the Regional Board, finds these charges to be unreasonable or unnecessary, they reserve the right to refuse that parish home game on the league schedule.

G. General Protests

Protests may be filed on the basis of “**rules interpretation**” and/or “**athlete eligibility**,” they **cannot** be filed based on “**judgment**” calls. All protests must follow the process below:

Procedure:

1. Before a competition is completed, the Head Coach must indicate to both the Head Official and the Head Coach of the opposing team that the competition is being protested.

a. The protest shall be noted in the official scorebook when possible.

If the protest is not indicated in the official scorebook, then the protest will be dropped.

b. If the Head Official has left the competition area without being notified of the protest, it will be dropped.

2. The protesting coach has 24 hours from the completion of the contest to send an e-mail of protest to the Commissioner.

NOTE: “Time sensitive” protests must be made within two hours of the completion of the competition.

3. If the protesting coach does not consider the protest satisfactorily resolved by the Commissioner, he or she may appeal the Commissioner’s decision to the Regional Athletic Advisory Board.

a. This appeal must be e-mailed within 24 hours of the Commissioner’s decision to the Regional Coordinator for review by the Regional Board.

NOTE: A “time sensitive” appeal of a Commissioner’s decision must be communicated to the Regional Coordinator within one hour of the Commissioner’s decision. The Regional Coordinator should make an attempt to communicate with as many Regional Board Members as possible.

The Region’s decision is final on “time sensitive” appeals.

4. If the protesting coach does not consider the protest satisfactorily resolved by the Regional Board, he or she may appeal the Board’s decision to the Coordinator for Athletic Ministry/CYO Sports who will gather information.

a. This appeal must be e-mailed within 24 hours of the Regional Board’s decision to the Coordinator for CYO Athletic Department. (See 1st page of this Handbook for e-mail addresses).

b. Protocol is important and must be followed to ensure the appropriate people have reviewed a situation and as a practical matter because the CYO Athletic Department is not able to respond to all constituents in the more than 200 CYO sports programs.

The CYO Athletic Department is able to respond only to the Regional Board or other appropriate CYO Sports personnel.

NOTE: The Regional Board must resolve all protests related to a team prior to submitting them for Archdiocesan post-season competition. No team having been

disqualified by a Region or by the CYO Athletic Department may participate in Archdiocesan post-season competition.

H. Lateness

Archdiocesan competitions may be held in any of the five counties within the Archdiocese, therefore coaches should plan for appropriate time when making travel arrangements. For Archdiocesan events, and when not addressed by Regional or league rules, the following policy shall govern teams who are late for a competition:

1. A fifteen (15) minute grace period will be granted beginning at the scheduled start of the competition. At the conclusion of this time, the Facility/Field Director and/or the Head Official may forfeit the game. At which time, the forfeiting team will be held responsible for their portion of the officials' fees.
2. A team with a requisite number of players is not entitled to the grace period.
3. The Field/Facility Director and/or the Head Official may extend the grace period if the team in question has contacted them, is en route and will reach the facility/field in a reasonable amount of time.

I. Regional Alignment

The CYO Athletic Department reserves the right to assign parishes to the geographic entity known as the Region. When circumstances change within the structure of the Region, it may become necessary for the assignment of a parish(es) to a new Region(s).

J. Insurance & Liability

1. Sanctioned Sports Programs - Archdiocesan parish CYO sports programs and/or CYO sports Regions who sponsor a sport(s) sanctioned in this Handbook and are in compliance with "all" of the rules and requirements outlined in this handbook may receive insurance and liability assistance from the Archdiocese of Philadelphia.

2. Non-Sanctioned Sports Programs - Archdiocesan parish CYO sports programs and/or CYO sports Regions who sponsor a sport(s) that are not sanctioned in this Handbook or sponsor a CYO sanctioned sport but the age requirements fall above or below the age class regulations sanctioned in this Handbook, must meet the following minimum requirements in order to receive insurance and liability assistance from the Archdiocese of Philadelphia:

a. Sponsorship - Each team must be fully parish sponsored: 1) Teams must provide written approval by the Pastor and the Parish Athletic Director to the Regional Athletic Advisory Board and the CYO Director, 2) Teams must roster with their assigned Region (See pg. 15).

b. Finances - All parish team finances must flow through the parish's account, and all league finances must flow through the Regional account.

c. Rules Compliance - Parish teams and their league(s) must be in compliance with "all" of the rules and requirements outlined in this Handbook.

d. League By-Laws - Any league by-laws pertaining to the sport(s) must be approved by the Regional Athletic Advisory Board and the CYO Athletic Department before the start of season. *It is recommended that league by-laws reference a set of national safety guidelines.

e. Under Grade Five - Parish teams and leagues allowing the participation of athletes under grade five may be "developmental" only.

***Playoffs and all-star competitions are prohibited for these levels of competition.**

NOTE: Disregard for the above requirements may result in individual parties who host non-sanctioned sports activities in the CYO name, being held liable for any accident which takes place at these events.

K. Out-of-Season Violations

CYO teams in any form or by any name may not participate in out-of-season competition. CYO teams competing out-of-season prior to June 15th or after August 1st will jeopardize their parish's participation in the following athletic season.

L. Summer Season

CYO teams in any form or by any name may participate together between June 15th and August 1st.

M. Field/Facility Directors

It is recommended that Commissioners assign responsible individuals to oversee and manage league competition, when they cannot be present. The duties of the Field/Facility Director include but are not limited to the following:

1. The Field/Facility Director's decisions, in coordination with the Head Official, will be final at the time of the event.
2. He or she must ensure the competing teams pray together prior to the contest and preferably after as well.
3. He or she must sign and date the official score-book, where possible, at the completion of the event.
4. He or she must call in the final results to the Commissioner, and report any problems, protests or any other pertinent information regarding the event.
 - a. Field/Facility Directors must be familiar with the "Code of Conduct" (See p. 25) and must monitor the behavior of athletes, coaches and spectators. *Coaches are responsible for their spectators. If the Head Official has to stop a game for spectator behavior and/or a coach does not make an effort to correct his or her spectator (s) after proper notification from an official, the Field/Facility Director reserves the right to declare the competition a forfeit for the team whose spectators are in violation.
5. Other tasks may be assigned at the discretion of the Commissioner.

N. Tryouts

Coaches must give all eligible athletes a fair and equal chance to try out for a CYO sport or athletic activity. Tryouts may not be limited to participation or performance at any outside competition and/or membership to any outside team or organization.

When more athletes register for a sport than can be accommodated on one team, the parish is encouraged to create additional teams in order to enable more youth to participate in CYO sports. Regions are encouraged to create additional leagues, when appropriate. When the parish determines that it needs to "cut" players, great care must be taken as this also impacts the development of the student-athlete. At a minimum, this process should value each person and not be a public embarrassment to the youth. The parish should seek other ways to engage these youth, whether as a team manager or other support role or through other ministries throughout the parish. Seeking to help the youth identify, develop and share their gifts is still the goal, even when those gifts may not be through sports for that season.

O. 2014-2016 Black-Out Dates

The following dates are considered to be “Black-Out Dates” set forth from the CYO Athletic Department. No tryouts, practices, games or competitions may take place on these days. If anyone is found to be in non-compliance to this rule, he or she will face a review by the CYO Athletic Department and possible sanctions and/or penalizations.

Player Exemption Form - Any Varsity (Class D) athlete who turns fifteen or Class "E" athlete who turns thirteen between September 1st and November 30 of the current school year must submit an Player Exemption Form to their Commissioner prior to the start of the season. No athlete may participate in any games or scrimmages until this form has been approved by the CYO Football Coordinator.

Parish Affiliations:

Parish affiliations are granted in cases where it is necessary for a Host Parish to merge with, at most, four other parishes in order to sustain a football program. Affiliated parishes must be geographically adjoining to the Host Parish, and may not already be affiliated with another Host Parish. The Host Parish and its Parish Affiliations must be listed on the team's "Registration Form" (See below) with each participating parish's Pastor's signature.

Team Registration:

All participating teams must complete a CYO Football "Registration Form" by August 15. Those teams who fail to register by this date will automatically lose their eligibility for the "Parade of Champions" and may jeopardize their overall participation in the Archdiocesan CYO Football League.

The Parade of Champions:

The CYO Athletic Department will sponsor four (4) - five (5) championship football games governed by PIAA and CYO Rules on or about November 20, 2016. The method for determining invitations, as well as more detailed rules, is outlined in the "Archdiocesan CYO Football League By-laws".

As of July 25th, 2014, the CYO does not allow co-ed participation in tackle football, tackle rugby, or wrestling.

CHEERLEADING

Season:

Cheerleading is considered both a CYO "Athletic Activity" which can act in support for other sports teams and/or a CYO Sport in which athletes perform in competition.

Therefore, CYO Cheerleading in support of other sports teams is not restricted to a particular season. CYO competitions are a sport and are subject to the "season dates" that will be established.

Gender: Coed

CYO Competition Rules:

All CYO Cheerleading programs must comply with the following rules:

1. All teams are limited to competing in seven (7) competitions in one CYO Year.

2. All coaches must be familiar with the American Association of Cheerleading Coaches and Advisor's (AACCA) national guidelines on competition and safety as well as CYO-specific guidelines. The AACCA website is www.aacca.org.

Archdiocesan CYO Cheerleading Competition:

The CYO Athletic Department will sponsor a cheerleading competition in **March of 2016**.

1. Competition Eligibility:

a. Teams must not have competed in five or more competitions before this event.

b. Teams must be compliant with the eligibility rules outlined in this Handbook.

2. Competition Rules:

A detailed set of official rules will be available at the CYO Website.

**High School
BASKETBALL**

Tryouts, Practice & Competition:

Season- Winter

Start Date November 2, 2017

End Date February 28, 2018

Gender: Boys and Girls, Separate Leagues

Primary Competition Rules: PIAA

CYO Competition Rules:

High School Basketball Leagues may implement rules that are amendments to the PIAA rules. These rules must be reviewed and approved by the CYO Athletic Department prior to November 1st.

CYO Eligibility Rules:

1. Coaches must be in compliance with the "Coaching Eligibility" rules.

2. Athletes must be in compliance with the "HS Athlete Eligibility" rules.

PA State CYO Boy's Basketball Tournament

The Pennsylvania State Board of CYO Directors hosts annual state tournaments for boy's grade school and high school basketball and for girls grade school. The Archdiocese of Philadelphia may send one representative. The CYO Athletic Department will accept recommendations for teams eligible to compete before the first Saturday in February, which must include:

1. Written recommendation from the Pastor

2. Written recommendation from the League Commissioner. (Must verify the team is in "good standing" with the league, i.e. no technical fouls.)

3. Summary of service project(s) completed during the current season.

**High School
VOLLEYBALL**

Season- Spring

Start Date March 1, 2018

End Date June 18, 2018

Gender: Coed

Primary Competition Rules: NCAA

CYO Competition Rules:

High School Coed Volleyball Leagues may implement rules that are amendments to PIAA rules. These rules must be reviewed and approved by the Regional Athletic Advisory Board and the CYO Athletic Department prior to March 1st.

CYO Eligibility Rules:

1. Coaches must be in compliance with the "Coaching Eligibility" rules.

2. Athletes must be in compliance with the "High School Athlete Eligibility" rules.

a. Exceptions: In order to help to foster inclusion at this level, teams may request the following:

1. 9th thru 12th grade students on the same team.

2. Inclusion of "non-parish" students who are friends, classmates or relatives of parishioners on the team.

b. Exception Procedures:

1. The Pastor must present a written request to the League Commissioner

2. The Commissioner, in coordination with the Regional Athletic Advisory Board, must review the request.

Service Projects for CYO Sports Teams

Many projects are very effective with young adolescents. Think local. The ideas below may spark your own creativity. Have your athletes share their thoughts and ideas too!

Examples

- Cleaning the Church
- Helping with an already existing service project
- Raking leaves or shoveling snow for the elderly
- Visiting retirement or nursing homes
- Serving at a soup kitchen
- Distributing items to a food bank
- Working at a homeless shelter
- Working with a community program
- Participating or initiating environmental programs
- Collecting food, clothing, money or supplies for a specific cause or organization
- Developing pen pal relationships with other youth or soldiers stationed abroad
- Delivering Easter or Christmas cards, gifts or flowers to the homebound

Most Importantly!

Take the time to make service count for kids!

If you're going to do it, do it right by following the **Three P's** below:

Preparation:

Place the activity in the context of faith and discipleship. They need to know why the project is important

Participation:

Include adult supervision for guidance.

Focus should be on those being served and the purpose of the project.

Processing:

Share insight and feelings. Reflect on applicable scripture/faith issues. Celebrate the work done and the service provided.

**Dear God,
Bless our team here today
and all those who are about to compete.
Help us to know our talents
that you've blessed us with
and to be supportive of others.
Grant us the courage to do our best
and not give up when we fall behind.
Help us, Father, to have self-respect
and give credit to those who do something right.
Let us love and support our competitors
just as Jesus taught us to do.
Thank you, Lord, for all that you give us
and for listening to our prayers.
Amen.**

student-athlete of Immaculate Heart of Mary Parish School.*
