GENERAL INFORMATION

The running events in today's meet are seeded, that is the runners are assigned to heats or sections based on their respective performance at the Area Championships. There will be one section for the following events not run in lanes - 4x800, 800, and 1600. For all other events, two or three heats will be run, with the slowest heats first and the fastest last based on performances at Area Championships.

DETERMINATION OF PLACE

Trials are only held in the 100 Meter Dash. The heat winners and the next six fastest times will advance to the finals in the 100 Meter Dash. All other races are competed as timed finals, meaning the six fastest times from all of the sections in each event determine the first six places. Ties in field events will be broken according to USATF
